

The McDonald's Toy

By Kerri Harrison

I'm hungry can we go get get some food?

Where do you want to go?

Doesn't matter, somewhere YUMMY!

Look at the cool toy I got,
it's Astro Boy!

When they got to McDonalds, Lily was excited to see her friend Jake. Jake had gotten a Happy Meal and with it came an Astro Boy toy. Lily really liked the toy and wanted to get one for herself.

You have got to be kidding me!! I got a my little pony toy, where's my astro boy toy?!! Just because I'm a girl doesn't mean I NEED TO PLAY WITH "GIRLY" THINGS! I demand justice, I can play with "boy" toys too if I want!

Go ask for a new one then
